Summary: Natsu,the brother of zeref,was starting to change for a better life,trying to forget his past. But due to a curse,Zeref was forced to implant a dark soul in him,even darker than himself. Seems good at first,But they understimated that soul. This is a Fairytail x creepypasta crossover.Rated M for slight gore. Cover owned by nina2119 from devianart. I just edited it a bit.

1. Chapter I:Looming Darkness

A/N: Hi there everyone,Blazeo-kun here. this story will be about an AU Fairytail-creepypasta crossover. if i'd rate this,i'd say this is rated M due to some slight gore and light profanity. I got 13 ready chapters,but i'll update only twice a week(can't promise).The early chapter's grammar are a bit crappy,but it'll improve later on.

Shout out to **ND2014!**He's my inspiration on making this story(even though he does'nt know creepypasta),so please check him out!

DISCLAIMER:i do not own fairytail nor creepypasta. Fairytail is owned by hiro mashima. creepypasta is a website for scary stories.

Warning:this story contains mild fantasy violence,light profanity,fantasy death and blood red eyes. continue at your own risk. Oh and the most dangerous of them all,spoilers!but don't worry,the story will be change completely by me. there will only be one spoiler here.(or two..or three..)

(double checked!)

><p>-at the middle of a forest-<p>

The ground shook at the intensity of the fighting of two mighty dragons,Igneel the flame dragon king and acnologia,the dragon king.

"Heh!still eager as ever eh,igneel?"acnologia said,panting slightly.

"shut up coal-head!**Fire dragon king's roar**!"igneel roared,sending a huge torrent of fire towards acnologia,destroying the trees and huge boulders in it's path.

"heh,that's stronger,but still too weak for me. **Dragon king's roar**!"acnologia yelled as he sent a larger dark beam towards igneel's roar.

The two projectiles met each other followed by a huge explosion resulting on the clearing being reshaped into a giant crater,a shockwave zooming throughout the whole forest. As the chaos between the two dragon continues,an unexpected visitor came.

"woah,two huge lizards fighting!"a childish voice exclaimed. The dragons looked at the direction where the sound came from.

"who are you calling lizards huh?!"the two dragons shot back.

"of course you two,i didnt know huge dragons have small brains."the kid retort.

Tick marks were appearing at the dragon duo,but they were able to compose themselves.'its just a kid,just a kid..'they both thought.

the kid looked to be in his adolescent stage..13..14 years old?'acnologia thought.'he's wearing that weird black robe..'igneel pondered.

"tch,what are you doing here kid?"acnologia questioned.

"yeah. kids like you should'nt be going at the woods alone."igneel said,both of them lowering their heads so that they can see the boy clearly.

Well,all they could make out of him is that he's a cute(delicious prey) kid,and he has..

"you dyed your hair pink?hahahaha!"igneel taunted.

"it's my natural hair color lizard head!and it's salmon not pink."the

kid said in defence.

"anyways,back to my question,why are you here?"

"me and my brother got separated."the kid said plainly.

"how?"igneel asked.

As acnologia stare longer at that kid,he could feel a manevolent energy coming off of the kid. 'what's this...'

"what's your name?"acnologia asked,staring at the kid's eyes.

"natsu. natsu dragneel."the now named natsu said casually.

After the dragons heard what is natsu's last name,both of their eyes widen.'Dragneel?!..'they both thought.

"my mom said that she doesnt want another burden at our house so she left me here at the forest. brother got really angry,so he came with me,but sadly,we got lost and separated."natsu explained.

"wait here natsu. me and my friend is just gonna talk about few things. don't go anywhere ok?"igneel said to natsu.

"yes mom."natsu said back,making a funny face by drawing his tongue out.

"tch.."igneel said as they flew off to make some distance between them and natsu.

"he said he's a dragneel,then that must mean-"igneel said as acnologia cut him off.

"that he's the brother of the darkest mage in history,zeref dragneel."acnologia finished.

"so what do we do about him then?"igneel pondered.

"..."acnologia was silent as he was thinking.

"we've got no choice but to..."

-back to natsu-

"heh.i saw two huge dragons!brother's gonna be so proud of me when i k-"natsu was cut off by the loud flapping of wings from the two dragons.

as the two dragons landed,they slowly walked towards natsu,and as they got near him,they both look at each other and nodded their head.

"**Dragon king's roar**!"

"**Fire dragon kings roar!**"

They both shouted as they released their attack at natsu,his eyes widening.

boooom

A large smokescreen was created as the explosion ended.

"i'm sorry kid,but we need to st-"acnologia was cut off by a sinister laughing.

"...he..hahaha..."they heard in the middle of the smoke.

'W-what?! he's still alive?but how..'igneel thought as he a large crimson beam was shot from the smoke and coming at him at extreme speed.

"c-crap!"he said as he barely dodged the attack. the beam continued to a far village. for the first few seconds,nothing seemed to be happening to the village but as the beam ended..

BOOOOM

A large explosion followed as the beam ended,destroying even the mountains around the village,completely erasing the village from existance.

"p-powerful..'igneel thought as he back away from the smoke.

"i knew it. he's not the brother of zeref for nothing."acnologia said to igneel.

As the smoke cleared down,natsu's state was revealed that made both of the dragons' eyes widen. natsu barely even got a scratch in him. 'he should have at least taken some damage,or at least his clothes should have been tattered..'acnologia thought in fear.

"i knew that you two wanted to play too!"natsu said at a deeper voice than his normal.

"wait..'too'?you mean you've already encountered a dragon before?"acnologia questioned.

"yes of course!and not just a single dragon,i met a lot of them!who was that last one.. uh.. granbeany?was that it?"natsu asked himself,not noticing the dragons' eyes widening.

"s-so he was the one who killed grandeeney.."igneel thought as he became furious at the kid.

"yeah!your right!grandeeney!i killed her while she was protecting this little girl,what a hero."natsu said,smirking.

"i was'nt able to kill the little blue-haired girl because she ran away. can't believe that kid got away from my enhanced senses."he said the last part to no one in particular.

"but enough of this rambling,let's play lizards!"natsu declared while grinning sadistically.

"Grr..RUWAAGH!you'll pay for killing our fellow dragons!"igneel yelled as he soar at incredible speeds towards the smiling natsu.

"you really have small brain huh lizard?"natsu said while still grinning.

He raised one of his hand,then he yelled:"**Hell's core:Hell cage!**"natsu shouted as he clasp his hands in a crushing motion.

Several huge burning iron pillars rose from the ground,and a dark red wave covered the top,trapping igneel inside.

'Damn,i let my emotions get me!'igneel thought.

"igneel!you idiot!"acnologia said as he flew off towards the caged igneel.

"Now,suffer!"natsu declared excitedly.

As soon as natsu said those words,igneel stopped moving inside the cage. as igneel stopped,acnologia fasten his flying towards him.

"GRUWAAAAAAAARGH!"igneel suddenly yelled,as tons of pain cursed through his head from the waves being emitted by the bars.

"ARRRRRRGHHHHHAAHHHHH!S-STOPPPPP IT!AGHHHHHH!"igneel desperately shouted,begging natsu to stop torturing him.

"igneel!"acnologia frankly hit the pillars with his huge tails and claws,but to no avail.

Please stop it!im begging you... m-*murmur*..natsu.."acnologia said in defeat.

"what?i cant hear you igneel's being too loud."natsu said smirking.

"P-PLEASE STOP THIS!WE'LL DO WHATEVER YOU WANT M-MASTER NATSU!"acnologia yelled,tears shedding his eyes.

"Hehahahahaha...ok then. what'll you offer?"natsu asked the dragon king.

"w-we'll teach you our magic.."acnologia muttered looking down.

"...Hmmp. ok. i think that'll be fun!"natsu suddenly said joyfully,cancelling his spell.

-after two years-

Due to their agreement,acnologia and igneel taught natsu they're magic. the Dragon king slayer,a lost magic,the most powerful dragon slayer magic that can defeat a dozen of dragons all at the same time. and the flame dragon king slayer,the royal dragon slayer magic of the fire dragons. it's fire can burn down almost everything in this world.

The two dragons did'nt made any attempts to backstab him,because

natsu warned them that he's immortal,just like his brother,so they will just die trying. (technically,he can die,but he was'nt a fool to let them know that.)

But to make sure that they would'nt betray him,natsu put a sealing spell at the two. this spell makes them 100% obedient to him. They could still do all the normal things they do,but they can't if he said no.

They also learned that natsu only has certain times of the year that he'll get really bloodlust,just like the time when they met him. And now,it's the time where natsu has fully learned both their magic,and it's time for him to get away from them.

But natsu has other plans for them..

"hmmp. i guess this is it,igneel,acnologia."a teenager natsu said in a bored tone.

"yes indeed. But you have'nt learned dragon force,the natural way to lean them is.. to kill us. will you kill us master natsu?"acnologia asked,fear in his voice.

"of course... no."he casually said.

"But.."he continued.

gulpboth dragon gulped.

"you two,your gonna come with me!"natsu exclaimed happily. despite him being trained by two mighty dragons,natsu's childish nature is still present in him.

"w-what?where?"they both asked at the same time.

"were gonna play!i wanna join a guild,then destory stuff,but i want you two to come with me."natsu said as he walked towards the dragons.

"but only acnologia can turn into human master.. how about-"

Igneel was cut off by natsu using one of his spells.

"**Hell's core:Reborn.**"

As natsu said this,the two dragons were enveloped by crimson dark flames,but they did not feel anything,so they thought it would be painless. well,it is painless but..

As the flames died down,it revealed that two mighty dragons did turn into humans.

"w-wow!i did b-w-wait,why is my voice like-"igneel trailed off as 'he' looked at 'himself'.

As soon as he looked down,the first thing he notice was that his chest were larger now,and he felt really lighter now.

And as he looked behind him,he also noticed his hair,a back length hair with the same shade as his master.

His eyes widen.

"EEEEKKKKK!IM A GIRL!"igneel yelled to no one.

"oh,something must have went wrong when i casted my spell.."natsu said as he scratched his head.

"but now that your a girl,we should change your na-"

"w-wait master!c-cant you turn me back?"igneel plead.

"hmm... actually i can."

"shuu. i thought i was done fo-"

"but i kinda like it more now that your a girl. You wont be so grumpy now."natsu said eyeing her.

"E-E-EHHHH?!"

"now,back to your name.. hmmp.. what should be a good name for you.."natsu said as he went into a thinking position,his hand going into his chin.

'No!i'm doomed!huhuhu...'igneel mentally cried.

"ah!how about natsumi?you kinda look like a girl version of me so i guees that kinda make sense."he congratulate himself for a job well done.(very creative natsu,the author sarcastically said)

"U-uh..m-master?"natsumi whispered.

"what?"

"acnologia passed out.."

"what?why?"natsu said as he walked near her.

He first noticed he pure black hair scattered everywhere. her chest has also grown breasts too. and her eyes... well. it was swirling.

"judging from her eyes master,i think she passed out because of embarassment. heh."natsumi snickered. 'the great dragon king,acnologia,a girl. Hahahahaha!she's a queen now!'she laughed mentally.

But as soon as natsumi noticed acnologia's bare body which is only covered by the crimson flames that were left,she also immediately blacked out,Xs replacing her eyes.

'we were only wearing flames for our clothes all this time?'she thought.

'what,she passed out too?what's wrong?'he dumbly thought.

* * *

><p>As soon as natsu came back with the dresses he bought from the nearby town,magnolia,the two girls immediately grabbed there respective clothes.<p>

Natsumi's clothes consist of a black and red vest long enough to cover her breast. she wore a black undershirt under her vest. He also bought her a long battle skirt,with the same styles with her vest.(practically looks like a female version of natsu wearing a more feminine version of his clothes.)

Acnologia's clothes consist of a midnight black sleeveless dress with a crown design at the back. judging it's position in her dress,that design will be block by her long hair. the hem of her dress is colored with gold,along with some thin stripes near it.

"are you done now?come on im hungry i wanna eat.."natsu said as he rubbed his stomach.

As natsu said those,the two girl emerge from behind the huge trees they were hiding.

"..."they both stared.

"what?"natsu asked dumbly.

"oh,right. you both look good."natsu remembered his brother's teaching about females. 'always praise them if they deserve it. if they dont,then just ignore them.'he remembered.

Natsumi and acnologia both slightly blushed at the comment,but regretting it as soon as they noticed themselves doing it.

'stupid girl senses...'natsumi cursed.

'why is this happening to me?uwaaaa..'acnologia internally remorsed.

"oh yeah,acnologia,what do you think your new name will be?"natsu asked.

"acnologia's perfect. it sounds strong and handsome at the same time. "acnologia replied.

"but your a girl now acnologia.."natsumi muttered.

"you don't have to remind me igneel.."she replied,her head falling down,feeling depressed all of a sudden.

"my name's natsumi now.."

"sounds girly to me."

"that's because i'm a girl now too you know!"

Natsu just stared at both of their antics..'girls,their really weird. 'he thought.

"...since your a queen now,how about queen?"natsu said.

"huh?...i..think that sounds good."queen agreed.

><p>"E-err..."both natsumi and queen sweatdropped as they look at the people watching natsu munch down the whole buffet in this restaurant.<p>

"master..slow down a bit.."natsumi whispered.

"Nwo way!im stwill evwen huwngwy!"natsu replied while his mouth is full of foods.

As natsu and the two girls walked out from the restaurant by him leading at the front,they breath a sigh of relief.(specifically natsumi and queen.)

"shuuu..i thought i'm gonna die from embarassment back there.."natsumi whispered to queen.

"i still can't believe we're girls now.."queen replied.

"y'know i can hear you there right?"natsu said from the front.

"r-right. sorry master natsu."they both replied.

"..calling me master while you two are girls sounds..weird to me. just call me natsu."he said without looking back.

"y-yes natsu."

"ok natsu."

As the group were walking at the streets of magnolia at the afternoon,they can hear some voices talking around them.

"who's that guy?"

"pink hair?haha that sucks."

"and he's walking with those two beautiful ladies. there's no way they would walk with him,he must be blackmailing them.."

As they just ignored the thugs talking about them(with the exception of natsumi),three of the guys talking about them walked to the group.

"hey there ladies. your knight in shining armor has come to your rescue. im pretty sure this bastard here's blackmailing you two right?"one of the thugs said to both of the girls while glaring at natsu.

Natsu flinched.

"yeah,we could have lots of fun somewhere unlike this pink haired bastard here who just makes you walk instead of giving you what you need."another thug said.

Natsu stopped walking.

"so what do you say girls?wanna have som-"the last guy who was about to say something but he started flying towards the garbage cans because of natsu's punch to his gut,completely knocking him out.

"w-what the hell?!you'll pay for that you ba-"

"**flame** **dragon** **king's** **fiery** **knuckle**!"natsu said as he punched him straight in his face,making him flying towards another garbage can.

"what the f-"

"**dragon** **king's** **iron** **claw**!"natsu yelled while backflipping and hitting another guy with his foot.

"You piece of-"

"shut up."natsu just glared at the last one making him tremble under his menacing gaze.

The last one just fell to his knees knocked out just by natsu's fierce glare.

"i feel bad for them."queen said.

"their lucky he did'nt kill them."natsumi added.

"...douchebags."natsu thought out loud.

"...you have quite the potential kiddo."somebody said behind them.

They all turned around to see a short white haired man wearing the wizard saint's robe and a staff at his back.'a wizard saint..'both natsumi and queen thought.

"are you talking about me gramps?"natsu replied.

Ignoring his remark to him,the old man said:"yes,are you looking for a guild child?"

"yeah,we're looking for the guild fairytail. i heard there's a lot of strong people there."natsu said walking closer to the old man.

"well,looks like luck is on your side kid,my name's makarov dreyar. current guild master of fairytail."makarov said,smiling.

"r-really?!wow!hello there gramps,how can we join your guild?do we have to finish some kind of test,or fight someone,or destroy something,or-"natsu suddenly asked excitedly,his joyful self returning.

"naah. those two beautiful girls.."he look behind natsu and stared pervertly at natsumi and queen"..is automatically accepted in my guild."he laughed and turn back to natsu who's looking at him like he has two heads.

"err..what i was saying is that your all welcome at my guild. Now come with me brat!"he said as he walked towards the guild.

* * *

><p>As master makarov opened the doors leading inside to his guild,he was not shocked to see his guild on the verge of collapsing from his guild members' fighting. again.<p>

"ehem."he said but no one noticed him.

"EHEM!"he yelled louder and the whole guild stopped fighting.

"hello master. your back."a redhead girl said as she walked towards makarov.

"yes i am. and i found some new members for us,their name is..err.."makarov trailed off as he still do not know the names of their new members.

"I'm natsu dragneel!"natsu yelled,grinning.

"hello there,i'm natsumi!"natsumi shouted as she walk forward.

"im queen. nice to meet you all."queen casually said.

"hello there natsu. my name's erza scarlet. pleasure to meet you."erza said while looking at natsu's eyes.

"why do you have some icing in your mouth?"natsu noticed the icings in erza's lips.

"oh,im sorry. that was rude of me talking to you while i have foods in my face. please hit me!"erza apologized as she bow.

"chill out erza. haha. im not gonna hit you."natsu said as she was standing straight again.

"i dont like that erza talking to natsu like that.. :3"natsumi whispered to queen.

"for some reason,i agree with you. i dont like her too. :*"queen replied.

murmur ***murmur***

"natsu-san looks so handsome!"

"yeah he is. but too bad his sister's with him."

"you mean that natsumi..?"

"i wonder who's that queen girl.."

"maybe she's his girlfriend right?"

As natsumi and queen were hearing the murmuring behind them,they can't stop the blush spreading across their face.

"w-were no-"

"n-no your misund-"

They were about to reason themselves but natsu cut them off.

"hey queen,natsumi,let's get our guild stamps!"natsu declared excitedly while waving to the two girls.

"h-hai."

* * *

><p>As natsu and the girls got their own guild stamp,natsu on his left arm,natsumi on her right arm,and queen at her right shoulder.<p>

"yeah!"natsu said as he raised his arm in the air.

"so,what now natsu?"natsumi whispered.

"well,i think we should take a job now."natsu said.

As natsu was walking towards the job board,all the jobs that he can see is just Class A and below.

"umm,where's the sss-class jobs here?"he asked the white haired barmaid.

"oh,sorry,i have'nt introduced myself to you personally. im natsu

dragneel."he smiled at her as she smiled back.

"im mirajane strauss,im the barmaid here. and,what were you looking for again?"she think she misheard him asking where the 'sss' class jobs were.

"im looking for the sss class jobs,do you know where to find them?"he asked looking around him noticing all the people looking at him like he was crazy.

"sss class job?what's that?"

"I thought the highest was only s class..?"

"Is he crazy?"

"w-what?sss class?"mira does not know what he was talking about too.

"y'know,the hardest job.."natsu was talking about sss class job like it's the most common things people do.

"how did you know about those jobs natsu?"makarov asked natsu as he was intrigued about natsu knowing those kind of jobs.

'sh*t natsu what are you doing..'natsumi thought as she ran towards her idiot of a master.

"haha he's just joking that was just a lucky guess right natsu?!"natsumi reasoned as she smiled like she's hiding a fire vodka she stole.(actually,she did stole a fire vodka...)

"riiiight?!"she elbowed him.

"o-ow,what are you talking about?that's what you use to train me with right?taking on sss class jobs,blah blah blah..."he rant and rant like all he just said was normal.

"w-what?you both trained him?"asked mira. makarov rose one of his eyebrow.

"d*mn it natsu dont go spilling our secrets to everybody.."queen said as she walk towards them.

"...ooohh."natsu realized.

"well then,dont believe what i just said,i was just bluffing!haha..haha."he looked at mira who's looking at him curiously.

He looked back to see natsumi and queen face-palming.

"ok,tell us who you really are,natsu."erza sternly said.

"im natsu dragneel. natsumi is igneel the fire dragon king and queen is acnologia the dragon king...wait why did i say that?!"he dumbly asked himself.

Face-palm.

"WHY DID YOU SAY THAT NATSU?!"They yelled comically.

"w-what did you say?"erza cant believe what he's saying..'just who are you,natsu dragneel?'she thought.

"just,let me do the explaining master natsu.."natsumi said.

So,natsumi and queen ended up explaining everything about them,of course except the fact that natsu's brother is zeref and how they met him.

"wow,dragons!but their title as kings dont suit them well.."the blue haired bookworm named levy said.

"heh,a dragon slayer huh?"a black haired man with piercings replied.

"hey gajeel,he's a dragon slayer like you!"somebody said.

"yeah,just like laxus and wendy!"

"huh?there are other dragon slayers here?"natsu asked erza.

"yes. gajeel.."she said pointing to the black haired man"is the iron dragon slayer. he also learned shadow dragon slayer from a fellow friend of his."

"that.."she pointed to the hunk blonde man with earmuffs"is laxus dreyar. he's master makarov's grandson. he's a half dragon slayer.

"and lastly...hey wendy,come over here!"erza yelled to a familiar blue haired girl.

"y-yes erza-san?"a petite small girl walked from the crowd.

"this is wendy marvell. she's the sky dragon slayer. she's a good fighter and a support making her a valuable teamate."erza said to the staring natsu.

"t-thank you erza-san."wendy thanked. but as she looked at natsu..

"...KYAAA!""wendy's eyes shot wide from seeing natsu's familiar face.

She fall to her knees trembling from fear,all the while crying.

"..."natsu just stared at her.

"wendy!what happened to you?!someone help me get her to the infirmary!"erza yelled as the other guild members scrambled to obey her.

As everyone except natsumi and queen were looking back at erza carrying wendy to the infirmary,they did'nt noticed natsu grinning...sadistically.

"...this is really gonna be fun."he grinned as he look at the worried looks of his companions.

"that girl,wendy right?..she's that kid i tried to kill when i was killing grandeeney."he said at a monotone voice as he looked back at the two.

Both queen and natsumi gasp,'so that's why she acted like that,she must have remembered his face..'they both thought.

"..N-natsu..d-dont tell me..."natsumi whispered as she glared at his reflection on the nearby mirror.

'and i thought that season has stopped last year,since he has'nt gone into that season back then..but it looks like our chance of forgetting our past...will be impossible yet again..'natsumi thought as her head drooped down.

"m-maybe we can do something about it..maybe we can take you away from the others for a week?isolate you into the forest,or something like that.."queen stuttered as she tried to come up with a solution.

Natsu's eyes suddenly widen as he came back to his 'normal' self."did..did it happen again?"he asked as his tone turned into that of a sad one. he kneeled down,holding his tears.

"N-natsu.."natsumi whispered as she kneeled with him and rubbed his back. she was also crying a little from his master's suffering.

"..."queen was just silent as she sob too and look angry for some reason.'so,his brother zeref cursed his brother against his will?...damn that zeref.'she thought as she boiled in anger.

"n-natsu..natsumi,queen,are you all okay?"mira said as she saw the group all crying. Queen looked at her.

"..i-its nothing. a-actually,we gotta go."she said as she help natsu get up and dragged natsumi outside the guild.

"w-wait-"but she did'nt get to finish what she was about to say as the three got out.

"what happened to them?"mira whispered to herself. she was worried for her new guildmate's wellbeing.

"ok,first,we gotta find ourselves our home. then we lock natsu inside his room,no i think he'll get out,maybe we should make a basement?"natsumi pondered as she talk to queen.

"that's ok but where did you left natsu?"queen questioned her as they walk at the streets of magnolia.

"huh?i thought he's with you?"

"n-no!.."they both look behind,but all they see is a stray dog gnarling at them.

"W-WAAHHH!"they both shouted as they started running from the angry dog..wait..it's just a dog..

Realization suddenly hit them. they skidded their feet as they stop."HOW DARE YOU SCARE ME YOU DOGGY!"Queen yelled as her eyes turned into that of a dragon and glared at the dog.

"I'LL FRY YOU AND EAT YOU BUT THAT'S TOO YUCKY SO I'LL JUST BURN YOU TO DEAAAATTHH!"Natsumi yelled too as she ingulfed her hands in fire.

"raaaarf..***whimper***..aaaarrrf!"the dog whimpered as it ran away.

"stupid dog.."

"im really gonna fry that doggy when i find it again..but wait..i think we forgot something.."natsumi said as she went into a thinking

position.

"...NATSU!"

(In a random dark alley)

"o-ow..ow..my..head..stop it...stop..it..please.."natsu whispered,clutching his head as he cried from the immense pain he was feeling.

"help...brother..help.."as natsu said these,a black mist came behind him with a humanoid shape,but still a mist.

"natsu..."the mist said in a calm voice.

"b-brother.."natsu replied as he slowly look at the mist he called brother.

"im..sorry your suffering that curse when it was supposedly mine..i'm sorry you had to take it..it was all my fault."the mist said.

"d-dont blame yourself brother..i..i just need some help.."natsu said as he hoped that there is a way from stopping it..or even just lessening it .that would be a great help for him.

"y-yes..but i..need to completely put the soul i put in you when you were a child.. It will help your body stabilize from the curse..i-it will help you lessening it..and by some time it might even stop it...but.."the mist trailed off..

"b-but?"natsu parroted.

"but..it might..no..it can affect your mind..or in other words change you."the mist warned.

"i..dont care..just..stop this..please.."

"ok natsu...here's it's soul."the mist said as a crimson red orb pop out from it's mist hand. The orb seemingly radiates a manevolent aura that even surpasses his brother's.

"thank..zeref-nii."natsu just waited.

"dont..thank me..***mumbles***...here goes."

"Natsu!natsu where are you?!"natsumi yelled as both her and queen went to look for there missing master.

"master!please show yourself!"queen yelled while looking around her.

"where is he.."natsumi whispered as she suddenly felt an evil aura coming off from one of the dark alleys. an aura that even surpasses Natsu's.

"queen. hey queen."

"what?"

"i can feel someone in there."natsumi pointed at the dark alley at their right.

"is it master?"

"i dont know..it's...lets just check it out.."natsumi said as she walked towards that way.

"n-natsumi.."queen said as she followed
her.

><p>-next day:fairytail guildhall-<p>

Natsu,natsumi and queen were'nt surprised when they did'nt heared mira's cheerful and happy greetings to anyone,or any rowdy noise inside. they're just..looking all gloomy and sad from an unknown reason..but not to the three.

They heared levy cry."NOO!NO!why would someone do this?!why him?!he's one of my bestfriends!a-and..i..!"she yelled as she cried,looking really depressed by something.

"l-levy..i..we can't understand it too..please calm down.."lissana comforted her a she walked closer to the bluenette.

"NO!you can't understand me!..i..he...no..."she cried as she slowly sank back at her arms laying on her table.

"..who..what...what killed him?!why did they kill gajeel?!He was a great friend to us...and how did even someone kill him?!"an angry lucy yelled as she voiced her feelings.

Mira was just there,sitting at the stool at the bar..looking like she was at a deep thought. wendy was cuddled beside her,whimpering from what is happening right now.

Mira then noticed natsu,natsumi and queen standing at the door. she let out a small gasp,but then recomposed herself."h-hello there,natsu,queen, sorry were like this,it's just that...someone.."she couldnt even say it.

"w-we understand mira..were also sad about what happened."queen said to mira as she tried her best at hiding her true emotions..she was feeling angry..but more importantly..scared.

"were sorry for your lost. we're just..gonna sit down in here too."natsumi said to her too.

Natsu's just silent..not even showing a single emotion since they arrived.

Wendy scooted near mira as she noticed natsu again,it seems like she's really scared of him..well..who wouldnt?

As they all sat down at their table,mira and surprisingly,wendy,came to them.

"n-natsu?can we..ask you a question?"mira hesitantly asked him.

"...sure. what is it?"natsu said,emotionless as ever.

Both the white haired and the blue haired girl sat down near him,but not daring to look at his eyes.

"..m-my friend here..wendy..she's..uncomfortable around you..for some reason that i want to clarify with you."

"what?"

"are you the one who killed grandeeney?!"wendy suddenly asked accusingly.

"..."natsu was silent.

"grandeeney is my dragon,my mother. and she was killed by some kid who looks like you. is that you?!"wendy said again as tears are threatening to spill from her eyes.

"..."natsu's head dropped down,forshadowing his eyes. all the other guildmates is also listening too at the conversation between their timid and shy dragon slayer and their new mysterious member.

"..he..hehe.."he laughed quietly,its so quiet that only wendy,natsumi and queen were able to hear it with their enhanced hearing.

"..he..hehahaha...He HA HA HA HA HAHAHAHA!HEHAHAHAHA!"he suddenly laughed loudly,his smile looks seemilingly larger than normal.

Wendy was slightly frightened by his outburst,but also got angry."w-what's funny?!"she asked.

"w-what's funny?HAHA!I'll tell you what's funny!"he said while grinning at her,glaring at her eyes.

"n-natsu!"natsumi warned.

"natsu!snap out of it!"queen attemted to shook him,but he suddenly glared at her,still wearing that maniacal grin of his.

"SHUT UP!"He barked. then he looked back at wendy again. mira was just frozen in fear being so near at others are the same with her.

"What's funny is.."he trailed off."YOUR RIGHT!I DID KILLED HER!HEHAHAHHA!"He shouted as he laugh and stand up from his sit,holding his stomach from laughing so hard.

"Oh,if you just saw her face when i burned her right eye,HAHA that

was priceless!her eyes was really blue so i kinda got annoyed at it,i dont like blue. like you."he pointed at the quivering wendy."Maybe..I'LL GET THAT PRECIOUS EYES OF YOURS TOO?"

"STOP THIS NONSENSE!"Erza suddenly yelled from the door,it seems like she just got back from a mission.

"but i dont want to."he said while smirking at her,then he suddenly grabbed wendy's hair.

"COME HERE!"he yanked her hair towards him as wendy cried out in pain.

"ouch!let go of me!"she desperately thrashed at him,hoping that he'll loosen his grip.

"shhhh."he shushed her..as he suddenly grab a knife from a pocket dimension and point it at wendy's neck.

Wendy's eyes widen from both shock and fear. she suddenly cried,unable to stand this whole thing.

crying

"i said silent."Natsu reminded her.

"let go of her!"mira yelled at him.

"n-natsu!please stop this!"natsumi plead.

"master!..please.."queen begged at him while looking at the frightened eyes of wendy marvell.

"hmm.."he grinned again,while looking at wendy's eyes. she's really shaking from fear while crying. her eyes is as wide as saucers,and tears just wont stop from coming out of her eyes.

"W-wendy!come on!use your magic!you can knock him out right?"lucy looked at her,but she's seemingly transfixed from natsu's glare at her.

His smile widen."shhh. time to go to sleep."he said,as he slowly sunk his knife at her small neck.

><p>AN:You might not like what will happen in this story,but don't worry. I got all of this planned. :)**

The entire guild is silent. they can't do anything except stare at natsu grinning while pointing a knife at wendy.

"shhh. time to go to sleep."natsu said in a low voice but enough for everyone nearby to hear. he slowly sunk his knife at her neck.

As natsumi,queen,mira,erza,lucy,levy,lissana,and the entire guild listen to this,they all gasp then panicked. It did'nt help that the other members are out because of some jobs.

"N-no natsu!please dont do it!"natsumi plead.

M-master..stop!please!"

"dont hurt wendy!"

"s-stop..."

"wendy!"

They all said respectively,but lissana's just frozen in her place.

They all looked at wendy's crying face,noticing her mouth moving,saying silent words.

"_help_ _me_.."they read.

"...K-KYAAAAAAA!AHHHH!S-STOP!PLEASE!AAHHHH!"wendy yelled as natsu sunk his knife slowly all the while grinning.

As the knife sunk,small trails of blood started to appear.

"IT-IT HURTS!IM BEGG-AHHHHHHH!"she continued,but natsu just only look

at her.

"he's crazy!"

"stop it you bastard!"

"wendy..hang on.."

He smiled,then he look at her
eyes.

"KYAAA-Urrgh..URgh..grrrgg.."wendy didnt even get to finish her yell as natsu then completely stabbed her,the tip of the knife appearing at the other side of her neck.

They all widen their eyes,then they cried.

"HEHAHAHAHAHA!NOW I FINALLY KILLED YOU,YOU
KID!WAHAHAHAHA!HEHAHAHA!"Natsu laughed as he rotate the knife inside wendy's small neck,enlarging the already wide hole.

"NATSU!"natsumi yelled.

"N-NO!WENDY!"mira,erza,lucy and levy shouted.

"KYAAA!"Lissana just yelled from the fear seeing her own friend dying mercilessly.

Wendy's body fell down at the floor with a thud as natsu loosen his grip at her body and hair,smiling and sulking at his work. blood were squirting out at her small neck,resulting to the floor having a huge pool of blood.

"HEHAHAHAHAHAHA!HEHAHAHAHAHAHAHAHAHA!"natsu just laughed it all out and fell down at the floor,not even caring that he's being soaked by wendy's blood.

"tch,so red..I LOVE IT!WAHAHAHAHA!"he
continued.

"w-wendy.."

"n-no.."

Everyone were too broken from the scene that played out in front of them,they were'nt able to make a move. wendy marvell,being killed by a psychotic man..in front of them.

They thought that was it,but they were terribly
wrong.

"...GRUWAA!HEHAHAHA!HERE,HEHAHAHA!"natsu laughed maniacally as he continued to stabbed the dead body of wendy marvell,a gruesome sound echoing at the guild hall.

splash ***splash***

crunch ***splash***

"HEHAHAHAHA!I'LL TAKE THAT EYES OF YOURS NOW!"he declared as he

plunged in his knife at her lifeless eyes.

SPLASH

He pulled it out,then look at the eyeball stucked at his knife.

"you..YOU MONSTER!"Erza was the first to recover,as she charged in at the killer in front of them.

"w-we wont forgive you!"

"come on,we've got him sorrounded!"

"HAAAAA!"everyone in the guild except lissana,mira,lucy,and levy charged. it looks like their still broken.

"**r****equip:heaven's** **wheel** **armor**!"erza said as she and natsu clashed while holding a sword and a knife respectively.

"Heh,your weak."natsu taunted her.

"tch..you'll pay for killing wendy..dance,my swords!"erza yelled as she summoned dozens of floating swords around her,though tears are streaming down her face. this made the other guildmates stop running into them.

"ha!take that!erza will definitely defeat him!"someone yelled.

"erza..."Mira noticed her crying.

"tch."natsu just scowled as the swords were sent flying to him.

"**Hell's** **core:heat** **of** **inferno**!"natsu yelled as he pointed his open arms in front of him. then suddenly,all the swords started to melt.

"NICE!this body is even better than i thought!HEHAHAHA!"natsu laughed.

"w-what?"erza can't believed that her attack was stopped just like that.

"now get out of my way!**Dragon** **king's**..."natsu yelled as he inhaled a lot of air making his stomach bloat. cupping his hands in a circular position in his mouth,he then he started to charge a black sphere in his mouth. The orb seemingly rotates in random direction,with black lightning sparkling here and there.

'powerful!if that hit me..'erza thought as she started to requip.

'what will i do?use my flight armor to dodge it,or my adamantine armor to stop it?if i try dodge,it might kill my other comrades if they dont run away from it in time,and if i use my adamantine armor,i dont know if i can stop that..'she's starting to sweat now,she dont

know what to do. But then she remembered what happened to her when she tried deflecting the 'jupiter' cannon,she could have died if it was'nt for gray,but gray's not here right now. But still...

"...**REQUIP**!...**ADAMANTINE** **ARMOR**!"Erza yelled as she changed into her strongest defensive armor,the adamantine armor.

She put the two huge shield together,and awaited her fate.

"...**ROOOOAAAR**!"Natsu yelled as he released his attack,the sphere suddenly turning into a huge black beam that effortlessly tore everything that is in front of him.

'n-no way..its impossible for me to stop that kind of attack..'erza thought as it neared her.

"NO!NATSU!why did..you.."queen cried as she look at the speeding projectile coming towards erza.'that'll kill her!'she thought.

"**CRASH**!"

"**ice** **make**..**CANNON**!"

"**LIGHTNING** **DRAGON'S** **ROAR**!"

three different voices yelled as the beam was stopped dead in its track.

"WHAT?!"natsu exclaimed.

"tch..were too late."gildarts said as he looked at the unmoving body of wendy marvell.

"wendy...no..you..YOU BASTARD!"gray yelled as he glared at natsu.

"you think you can escape from this?"laxus asked him.

"why..why did you kill her?!"cana yelled as she came running from the door. it looks like all the other guild members who left for different jobs are now back.

"welp,now im outnumbered..."natsu said as he look at the angry faces of fairytail's strong mages,erza,laxus,gray,gildarts and cana.

"Huh?"natsu looked around him. All of the weaker members were now charging at him,and he does'nt have an escape. well,he doesnt have one YET. so..

"GET OUT OF MY WAY!"he threw his bloody knife with an inhuman force at his front,it was so fast it...tore through the people in its path.

"C-cra-"they werent able to dodge the speedy projectile hurled by natsu,as it cut their limbs and some even got cut that opened their innards.

"TOLD YOU!HEHAHAHA!"Natsu ran as fast as he could,trampling the downed bodies of his guildmates,still laughing as he did all of this.

As he neared the guild door,he looked back to see all the people trying to chase him.'too slow..heh.'he thought.

But then,laxus suddenly appeared in a flash in front of him."stop there."laxus emotionlessly said.

"CAPTURE HIM!"erza yelled.

"tch. Stupid fairies...but we'll all have our own play time soon. just wait~~"natsu said in a teasing manner.

"**Hell's** **core:Vanish**."

Natsu just grinned as his body burst into fire,and as it settled,he was gone.

And so a certain body of a little girl.

"Who's that freak?"gray asked erza who was the nearest.

"M-master's not a freak!..something happened to him.."queen defended.

"Queen's right!that's not master.."natsumi continued.

"THEN HOW CAN YOU EXPLAIN WHAT JUST HAPPENED?!HE DID NOT JUST KILLED A LOT OF OUR GUILDMATES,HE EVEN KILLED WENDY!"erza yelled at the two.

"We said that THAT WASNT OUR MASTER!"queen replied.

"w-what?w-wendy?she's dead...?"carla flew inside the bloody guild hall and asked,hoping that it wasnt true.

"carla.."lucy looked at carla as she just recovered.

"N-NOO!NO NO NO NO NO!"carla cried as she flew outside of the guild.

"wait carla!"lucy chased after her.

"mira!lissana!are you alright?"elfman rushed to his sisters.

"n-no..no.."mira replied.

"..."lissana just kept crying.

"that man. he's...really a monster."gildarts said.

"y-yeah."cana agreed while not looking at the bloody mess in front of her. But something seems to be missing..

"W-where's wendy's body..?"Cana asked.

"Huh..?it's missing..!"Lissana panicked.

"what?!"Mira and erza both yelled.

"I-i saw him,w-wendy's body vanished along with natsu.."Lucy whispered while looking down.

"That...that natsu!"Erza angrily yelled.

"No!that was not master!that wasnt him!he's much more kinder than that..yes he can be a bit violent sometimes,but that only happen once in a year!and he doesnt..do things like this.."natsumi said.

"It's..ITS BECAUSE OF HIS BROTHER'S CURSE!ITS BECAUSE OF ZEREF!"queen yelled.

Everyone present gasped at hearing zeref's name.'t-the black wizard?'they all thought.

"he cursed him!it was all his fault!it wa-"

"it wasnt my fault."a voice suddenly said. They all looked to see a hovering black mist above them.

"w-who are you?"erza questioned.

"i..im zeref. zeref dragneel. im here..to ask for help..and to say sorry for what my brother has done."zeref said. he looks like a black mist with humanoid shapes.

"S-SORRY?!YOUR SORRY CANT REVIVE MY FRIENDS!"Erza yelled.

"y-yes..but still..i can help you..stop him."he said.

"him?you mean natsu?"mira looked at the black mist.

"n-no..natsu..his mind is trapped inside of his body. somebody..something is controlling him."zeref said.

"i knew it!it wasnt master.."queen said.

"y-yeah.."natsumi agreed.

"he's suffering the curse anksheram gave me. it was supposedly mine,but he save me,he shoved me out of anksheram's curse,but he instead got cursed. Now,he cant take it. The pain is too much for him. Even the power i taught him,it wasnt enough..but the curse is not the reason why he's acting like this. in order for that curse to at least lessen,i implanted a soul inside of him. a soul,even darker than me. It was a soul of a murderer,a psycho killer,it was so corrupted that his soul cant go either heaven or hell. so,his soul wandered here on earthland,and i got it. By implanting it inside of natsu's body,the soul's more evil aura can defeat anksheram's curse. but..it looks like that soul is far more evil than i have thought."zeref explained.

"m-master.."queen sobbed.

"tch..curses."natsumi grumbled.

"so..what do we do?kill him?"erza asked.

" No. if you kill natsu's body,the soul will completely control him,thus regaining his true form. that's not even saying that you can actually kill him..in order to stop him..you need to wake the true natsu. his true side."zeref said as he slowly fade.

" looks like i wont be staying here for long. good luck. please save my brother from that soul."zeref requested.

"yes. we will."natsumi and queen both declared.

"i'll stop him."erza said,full determination in her voice.

"..and last warning. that soul..he can revive his companion's other souls. be warned. dont let him kill any of you here in fairytail. he already killed that little girl..you'll see her again..but she'll be different. goodbye."zeref said as he completely faded
away.

"w-wendy.."mira whispered.

Even after this revelation,they still cant forget the dreadful things that happened that morning. them losing a lot of guildmates,and a very special one.

><p>It was a very rainy day that afternoon there in the fairytail. they were all mourning from wendy's and a lot of people's death. they were all special to them,and them dying is just too much for them.<p>

"im so sorry wendy...this was all my fault."mira whispered in front of a tombstone with the writings:Wendy Marvell.

"no. it was that dark soul in natsu's body's fault...right?"erza mumbled to mira.

"i still have'nt seen carla. im worried about her."lucy talked to herself.

Wendy...*sob*.."lissana cried.

"that bastard.."gray grumbled.

[**Unknown** **house**]

"Ehehehe...i cant believe it,im finally alive again. hehe. if somebody just kills this body..that stupid slendy,he could've just killed me,but also putting a curse?that's too hard of him. hmmp." 'natsu said to himself.

gasp"...w-why did i killed wendy?..no..NO!NO NO NO!You stupid soul!get out of m-"natsu suddenly yelled to his reflection at the mirror.

"shut up. like i would do that. hehe. i think your crazier than me if you thought that i would do that. hehe."his reflection replied to him.

"no..no..wendy.."natsu whispered as he looked behind him and spot...the dead body of wendy marvell.

"im sorry wendy,im sorry i killed your dragon,im sorry i did this to you..im sorry."he said as he kneel down and cried at her.

"hey!im the one who killed them you idiot."his reflection shouted.

"...if i ever find a way to get my body back,i'll burn you alive!"natsu declared,tears in his eyes.

His reflection then slowly morph into that of a man no older than natsu,in a white bloody hood jacket and black pants. His face though,its bleach white. his eyes,it looks like it was burned along with his eyelids. and his mouth,there's a carved smile at the sides of his mouth. he smiled.**(If you do not know jeff,just search "jeff

the killer"in the web.)**

"oooohh. scary. hehehehe."Jeff said while clawing like a tiger.

"scary your ass you-"

"now now,give me MY body back."jeff said as he vanish at the mirror and was replaced with natsu's original reflection.

"hmmp. idiot...well..this little girl..she's compatible with her soul. i wonder if she'll be reborn too?" 'natsu said as he smiled.

Wendy's body was just remaining motionless. well,she is dead. a lot of dried blood are present at her neck and the floor near her. there's a large gaping hole at her petite neck. her one remaining eye is wide,but also glassy. the eyes of those who are dead.

"well..i guess welcome back...Sally. HEHAHAHAHAHAHA!"Jeff laugh as he summoned a red orb at his left hand.

"..tch. i forgot about your teddy bear. that annoying teddy bear. grr. i hate that bear."natsu talked to himself.

"here."natsu said as he leaned down and brought the crimson orb at wendy's chest. it passed through her chest,and it also glowed for a second. then suddenly,her wound was healing up. then her missing eye started to regenerate.

"...W-who are you..?"wendy cutely whispered to natsu as she opened her eyes.(**I'm** **gonna** **refer** **sally** **as** **wendy**,**since ****she** **has** **wendy's** **body.**)

"i-i remember you..but i know we have'nt had a tea party before.."she continued.

"ugh. again with your tea parties. IT'S NOT EVEN A TEA PARTY!THERE'S NO FREAKING TEA IT'S JUST EMPTY CUPS!"natsu comically yelled.

"uhu..uhu uhu..huhuhu.."wendy then suddenly cried.

"RAAA!stop crying!"natsu yelled again.

"..w-wait..only jeff says that about my tea parties..J-jeff?is that you?"wendy said as she looked up.

"took you long enough to realize. tch."jeff grumply said.

"w-what happened to your body..and my body too..?"wendy asked.

"your asking too much questions. your alive,im alive. we kill again then boom. the end."natsu said.

"w-where's charlie..?"she cutely asked with a face like this :3

"sorry. i cant revive him. im no frankenstein you know. go and find yourself a new teddy."natsu said as he turned around.

"..y-your body is natsu..right?i remember it from this girl's memory..and my name is wendy. ha. its cute. i wish i met her before."wendy said.

"i dont care. now lets get out of here. the owner of this house's body will get too smelly anytime soon."natsu said as he look at a murdered body of a man with burned eyes and a carved smile on his face.

"o-ok.."wendy said as she got up.'you could've just burned it jeff..'wendy thought.

* * *

><p>"when will master come back?"erza asked a councilman in front of the guild.<p>

"we really need him now.."she continued.

"im sorry ms. erza but the guild masters' meeting have been interrupted by an attack. currently,nobody can go to the other continent,for anti-terrorizers purposes."the councilman said.

"..what?the masters are under attacked?"erza repeated.

"yes..they are attacked by a group called springan 12. We have sent our reinforcements,this problem should be finished in no time."the man confidently said.

"..you can go now."erza dismissed the man.

As she was entering the guild,she had a similar face with everybody. Sad. Gloomy. their companion's death is still fresh at their minds.

'why are problems stacking up on us like this..'she thought.

"erza. do you wanna..go on a job?"gray tried cheering his guildmate up.

"..i..guess that doesnt sound too bad."erza replied.

As they both left the guild,two girls are seen writing and drawing at the background.

"ok,so if we see him,we'll try to subdue him,then call for help...but who will subdue him?"natsumi asked her friend queen.

"of course it'll be me. i'm more suitable for these things."queen replied.

"what do you mean by that.?"natsumi questioned her as she slowly look back at queen.

"its because i'm stronger than you."queen said.

"as if!"natsumi yelled.'yeah i know she's stronger than me,but i will never say that in front of her.'she thought.

As natsumi was about to pound queen to the ground,she caught a glimpse of a very depressed levy Mcgarden.

'levy..when i see her..i always remember what i saw that night..'she thought as her smile fade.

"what's wrong natsumi?"queen concernly asked.

"it's levy..she's still angry about gajeel's death."natsumi replied as she look at levy.

"oh..that night.."queen said as she also sadden.

"do you think we should tell her..?"natsumi whispered.

"i dont know..it'll just probably anger her again.."queen whispered.

"...tell me what?"levy suddenly said behind them.

"w-what are you doing there?"natsumi suddenly exclaimed.

'we were too focused at our conversation we werent able to sense her..'queen deduced.

"dont answer me with a question!what are you going to tell me about gajeel?!"levy angrily said.

Queen then rose from her sit and motioned the other two girls to follow her. they did as what they were told.

When they were at the back of the guild,queen stopped.

"..do you...really wanna know this levy?"queen asked her.

"i wont know it if you dont tell it."levy rudely replied. she seems to be pissed off at both of them.

"w-well..we know w-who killed gajeel.."natsumi nervously said.

"Who?!"levy yelled.

"N-natsu."they both said.

{_**Flashback**_}

Both natsumi and queen were shocked at what they saw in that alley. it was..natsu stabbing a dead body of gajeel redfox.

"HEHAHAHAHAHA!You punk!you think you can defeat me huh?!"natsu crazily said as he stabbed him continuesly at his body.

splash ***splash***

Bloods were already pooling around his body,as his lifeless eyes were wide as saucers and his mouth wide open.

"hey now,i thought you eat metals?!why are'nt you eating my knife?!ahh..your too shy?HERE!"Natsu yelled as he plunged his knife at gajeel's mouth. the knife went through the back of his neck,as blood gush out at natsu's grinning face.

Natsumi and queen were shellshocked from the scene. they cant move.

"..oh?your both back?why are you staring at me like that?"natsu said as his bloody face turned to face them while smiling like a psychopath.

"n-natsu..WHAT ARE YOU DOING?!"queen yelled at natsu,tears threatening to spill from her eyes.

"AHHHH-ommph-"natsumi screeched but natsu suddenly ran towards her with inhuman speeds and put his hand at her mouth.

"shhh..your too loud."natsu said as he smiled at her.

Natsumi was already crying,it seems that his girl feelings were stronger than they both thought. it's affecting them like this even if they were dragons before.

"s-stop natsu!your scaring us!"queen said as she pulled natsumi from natsu and hugged her.

"m-master..."natsumi whispered as she cried at queen's chest.

"scaring you?im not scaring you,why would i scare you?"natsu said as he tilted his head. it would have looked cute if it wasnt for his grin and the bloods splattered at him.

"natsu..what's happening to you..?"queen questioned him.

"im completely normal. im just being..myself. hehehe."natsu said as he laughed a bit.

"NATSU!ANSWER ME!"queen yelled to him. natsu's grin suddenly fade.

"..q-queen..natsumi..why are you yelling at me queen.."natsu asked as he look down at his bloody hands grasping a bloody knife.

"W-What the..what happened-"he said as he smelled a foul stench of death behind him. the smell of
blood.

"g-gajeel..?GAJEEL!..w-wait.."he suddenly realized what he had done.

"did..DID I KILLED HIM?"he yelled.

"N-no!brother!what's the meaning of this?!why did i kill somebody?!"he said as he knelt down wide eyed staring at gajeel.

{_**Flashback**_ **end**}

levy was crying as queen ended her story.

"G-gajeel..I HATE YOU NATSU!"she yelled as she ran away to the clearing behind the guild.

"w-wait levy!"natsumi tried to chase her but queen stopped her.

"let her be,natsumi. she needs to be alone right now.."she said as she look at the clearing.

"o-ok."natsumi agreed.

They then heard the sound of gasping inside the guildhall. they ran inside to know what was the noise about,but they skidded to a stop when they heard mira say something.

"W-wendy..?"

"Hello everyone!"wendy joyfully said.
